

The Friends of the Descanso Library organization (FODL) supports the Descanso Branch of the County Library with items which are not included in the library budget.

It has been our pleasure to provide funds for items such as computers, computer desks, a display case, paperback book cases, garden, workshop supplies, special programs, magazines and other amenities which benefit the library and the people of our community.

Our Used Book Room brings in a regular source of income. It is open every day that the library is open. Every chance we get, volunteers sell our Descanso History books, FODL tote bags, historical pictures, engraved note cards, etc.

Our history team develops programs, website articles, booklets and field trips to learn about local people, buildings and properties of interest.

We gather Descanso and library history. Please volunteer to tell your History about growing up in Descanso.

Membership

The Friends of the Descanso Library was formed in 1984, and immediately decided the 192 square foot library was too small and that Descanso needed a new library. After 12 years of effort by the Friends, a 2000 square foot Library was built in 1997. In 2004, with a request to the County and assistance from the Friends, our Library was expanded by an additional 500 square feet, enlarging both the Children's area and the Community room. Another 500 square feet was added at a later date.

The original Descanso library pictured above is now the current book store.

The Friends of the Descanso Library is an all-volunteer group, and we hope that you will consider joining us. We are only successful because of our donors and volunteers. Please help support our goals by volunteering your time, financial bequests and donations.
